Welcome, Status of Nuclear Industry, Ambition into Action Framework	Get ready for an immersive experience as we officially dive into the third GFNI event. You'll hear from our emcee and senior leaders who will share their perspectives on ambition into action, and what to anticipate in the exciting three days ahead while unpacking the framework that inspires the event's sessions.
08:30 am to 09:35 am	
Keynote Speaker and Outside Nuclear, Podcast Episode	In this live podcast recording, our keynote speaker will delve into their experiences transforming ambition into action within their industry, inspiring you to thoughtfully consider the necessary steps to achieve the same in the nuclear sector. This is more than just a presentation - it's an invitation for you to be part of the conversation. Prepare to be motivated and moved to action.
09:35 am to 10:00 am	
Morning Break and Rotation	
Ambition into Actor - Put the framework into practice on an easy topic	After gaining insights into the 'ambition into action' framework, it's time to put theory into practice. In this interactive session, we will step outside the nuclear realm and apply the framework to a real-world example. Working in small groups, you'll have the opportunity to explore how to transform dreams into reality, using the principles and strategies you've learned. This hands-on exercise is designed to equip you with the skills and confidence to turn ambition into tangible actions. You'll collaborate, innovate, and make the vision come to life.
10:15 am to 11:00 am

<p>You and Me vs The Problem</p> <p>12:15 pm to 01:00 pm</p>	<p>In this session, we bring together a diverse group of nuclear industry regulators and other thought leaders for an enriching panel discussion. This conversation will revolve around the power of diversity of thought in tackling common problems as a sector.</p>
<p>Lunch</p>	
<p>01:00 pm to 02:15 pm</p>	

Design Thinking Warm-up

02:15 pm to 03:30 pm

Get ready to stimulate both your creative and critical thinking skills. This short yet impactful session based on design thinking is designed to prime your brain for an afternoon of problem-solving. It's about embracing a mindset of curiosity, empathy, and experimentation to tackle complex challenges. By warming up both sides of your brain, you'll be well-prepared to dive into the big challenges that await in the afternoon. So, let's get our cognitive gears turning and gear up for a productive afternoon!

Hackathon Part 1

03:30 pm to 05:25 pm

Welcome to our Hackathon-inspired session! This is where theory meets practice and ideas transform into action. We'll break into small groups and collaborate closely on the four Grand Challenges but with a twist.

Your first task will be to identify a micro-Grand Challenge – a smaller, more manageable aspect within the broader Grand Challenge. You'll then use the 'Ambition into Action' framework to help turn ambitious goals into actionable plans.

Day 2 Close

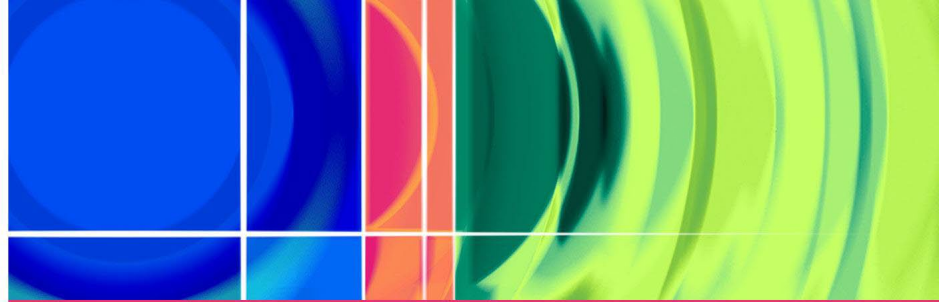

05:25 pm to 05:30 pm

Closing remarks for day 2 - Hint about what's next!

Reception hosted by NextEra/Florida Power Light

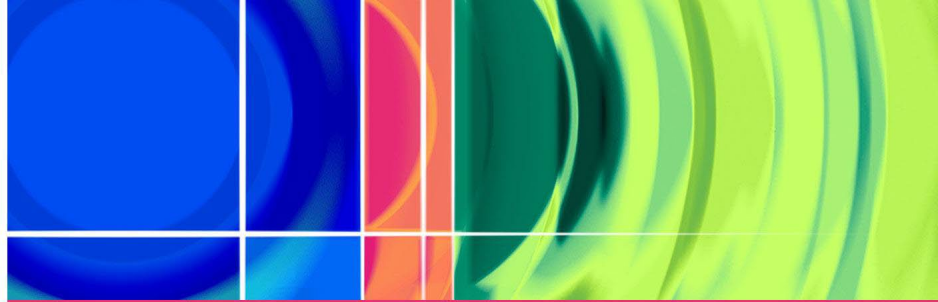

06:00 pm to 08:00 pm

Join us for a delightful evening reception. This will be a wonderful opportunity to network, unwind, and engage with your fellow conference attendees in a relaxed atmosphere. Guests are welcome.
