

OVERVIEW AGENDA

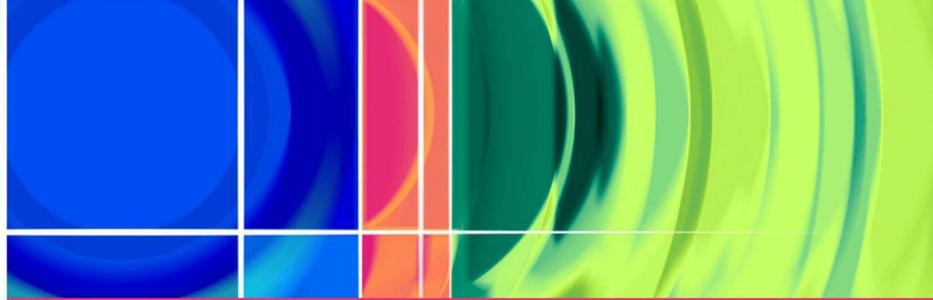

MONDAY, JUNE 24, 2024	
Topic	Description
Early Registration 05:00 pm to 07:00 pm Location: Atrium outside Ballroom IIAB	An opportunity for attendees and guests to check in for the event and pick up their materials before Day 1.
Kick Off Event (Hosted by EPRI) 06:00 pm to 08:00 pm Location: Eden Garden	"Beachside Beginnings: Kick-Off the Event with a Splash!" Dress is casual as we kick off the event near the beach. This isn't your typical networking session - think refreshing drinks, excellent food, engaging conversations, and an invigorating welcome - all under the open sky. Start the event off in fun, seaside style and make connections that will last beyond Miami's sandy shores.

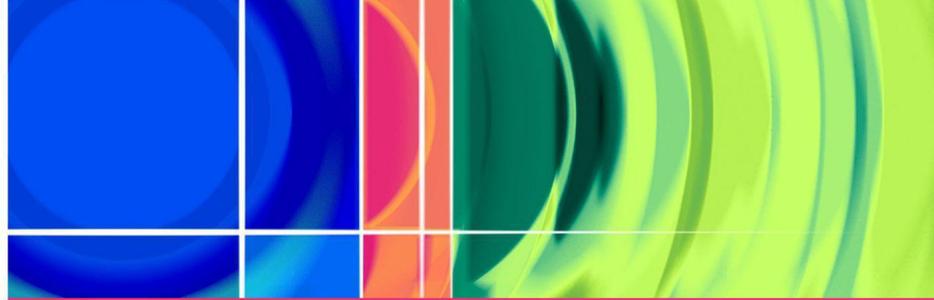

Tuesday, June 25, 2024	
Topic	Description
<p>Registration 07:30 am to 04:00 pm</p> <p>Location: Atrium outside Ballroom IIAB</p>	<p>An opportunity for attendees and guests to check in for the event and pick up their materials.</p>
<p>Continental Breakfast 07:30 am to 08:30 am</p> <p>Location: Atrium outside Ballroom IIAB</p>	<p>Start the day with food to fuel your mind. An informal continental breakfast will be served providing your big ambitions with the nutrition they need.</p>
<p>Welcome, Where we've been and where we're going 08:30 am to 09:35 am</p> <p>Location: Ballroom IIAB</p>	<p>Get ready for an immersive experience as we officially dive into the third GFNI event with Florida Power & Light welcoming you to GNFI. You'll hear from our emcee, Wynter McGruder (EPRI), and senior leaders who will share their perspectives on the nuclear industry, ambition into action, and what to anticipate in the exciting three days ahead. Speakers include Neil Wilmshurst (Senior Vice President, Energy System Resources at EPRI), James Murphy (Chief Strategy Officer at National Nuclear Laboratory (NNL)) and Ed Bradley (Team Leader at International Atomic Energy).</p>
<p>Live Recording: Finale Podcast Episode 09:35 am to 10:00 am</p> <p>Location: Ballroom IIAB</p>	<p>In this live podcast recording, Abby Smith (retired from Federal Aviation Administration (FAA)) will delve into their experiences transforming ambition into action within their industry, inspiring you to thoughtfully consider the necessary steps to achieve the same in the nuclear sector. This is more than just a presentation - it's an invitation for you to be part of the conversation. Prepare to be motivated and moved to action.</p>
<p>Ambition into Action Framework 10:00 am to 10:10 am</p> <p>Location: Ballroom IIAB</p>	<p>Heather Feldman (EPRI) and Jon Salthouse (Prologue Communications) share the inspiration, supporting data, and foundational basis for the research framework, developed as a tool to guide innovative thinking during and far beyond this gathering.</p>
Break and Rotation	

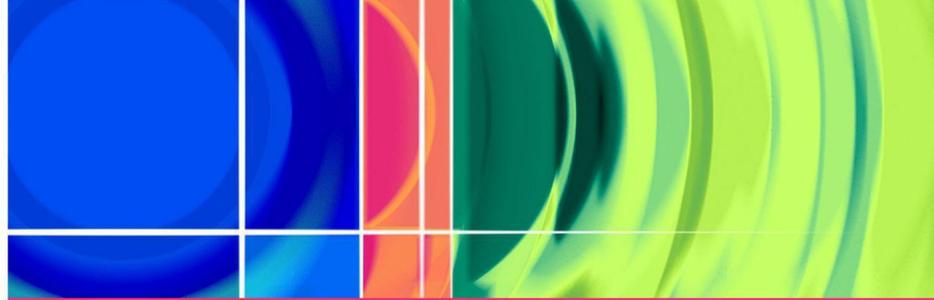

<p>Tour De Ambition - Put the framework into practice 10:25 am to 11:10 am</p> <p>Location: Ballroom IIAB</p>	<p>After gaining insights into the 'ambition into action' framework, it's time to put theory into practice. In this interactive session, we will step outside the nuclear realm and apply the framework to a real-world example. Working in small groups, you'll have the opportunity to explore how to transform dreams into reality, using the principles and strategies you've learned. This hands-on exercise is designed to equip you with the skills and confidence to turn ambition into tangible actions. You'll collaborate, innovate, and make the vision come to life.</p>
<p>Break</p>	
<p>Bitesize Behaviors - High-impact session on the 4 behaviors 11:40 am to 12:40 pm</p> <p>Location: Ballroom IIAB</p>	<p>Building on the insights from our previous GFNI event, in this dynamic and high-impact breakout session, prepare to immerse yourself in the behaviors of Challenge, Role Model, Diversity, and Courage. Through a series of engaging activities and discussions, you'll experience firsthand the transformative potential of these behaviors. This session is designed to empower you with the mindset necessary to make an impact in the nuclear sector.</p>
<p>Lunch 12:40 pm to 1:50 pm</p> <p>Location: Eden Garden</p>	
<p>Tools Workshops 01:50 pm to 5:20 pm</p> <p>Location: Ballroom IA, IB, IC & Ballroom IIC</p>	<p>In these four workshops, you'll gain hands-on experience with the tools that enable turning ambition into action. This is an opportunity to understand their application, test them out, and evaluate their effectiveness. The goal is to equip you with practical skills and confidence, so you can take these tools back to your organization and drive transformative change. Get ready to learn, experiment, and bring new strategies to life!</p> <p>The Tools Workshops:</p> <ol style="list-style-type: none"> 1. Building the Ambition 2. Gallery of Models 3. Influential Storytelling 4. Dialing in Attributes

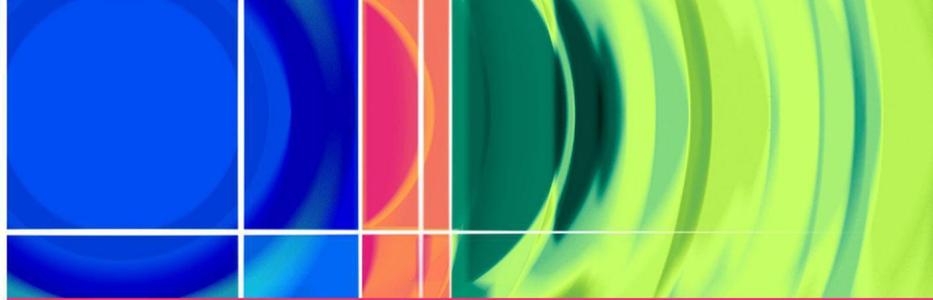

<p>Day One Close 05:20 pm to 05:30 pm</p> <p>Location: Ballroom IA, IB, IC & Ballroom IIC</p>	<p>As we wrap up an invigorating first day, this session provides a space for summary and reflection. We'll revisit the transformative journey we embarked on today, discussing key learnings, insights, and experiences. This is also an opportunity to share your thoughts, questions, and ideas sparked by the day's activities. Then we'll give you a sneak peek into what's in store for days two and three. With more engaging sessions, practical workshops, and insightful discussions ahead, there's plenty to look forward to.</p>
<p>Free Evening</p>	

Wednesday, June 26, 2024	
Topic	Description
Continental Breakfast 07:30 am to 08:30 am Location: Atrium outside Ballroom IIAB	Start the day with food to fuel your mind. An informal continental breakfast will be served providing your big ambitions with the nutrition they need.
Welcome Back to GFNI - Day 2 08:30 am to 08:40 am Location: Ballroom IIAB	As Day 2 gets underway, our emcee warmly welcomes you back and invites you to reflect on the transformative journey of the day before. We'll take a look at what the day holds in store for us. Expect an engaging blend of practical workshops, insightful discussions, and transformative learning experiences.
Florida Power and Light Fleet Control Center Virtual Tour and Discussion 08:40 am to 09:30 am Location: Ballroom IIAB	Get ready to embark on a thought-provoking virtual tour of Florida Power & Light Company's cutting-edge facilities. Together we'll explore the Fleet Control Center located at the James L. Robo Campus in Palm Beach Gardens through a video and presentation by Anne Paskavitch and Michael Pearce.
Innovations from Action 09:30 am to 10:40 am Location: Ballroom IIAB	Welcome to a series of high-impact, TED-style talks that will take you on a journey exploring innovations born out of action. Each talk will focus on one of the Grand Challenges identified at the 2022 GFNI event, presenting inspiring stories of breakthroughs, discoveries, and transformations. Abderrahim (Abdou) Al Mazouzi (EDF) Adam Govia (Nuclear Regulatory Commission) Alan Thomas (Framatome) David Czufin (Czufin Consulting LLC) Jin Yi (CNNP) Karla Kwiatkowski (Eletronuclear) Tom Zawadzki (Ontario Power Generation)
Break	
Innovations from Action 11:00 am to 12:00 pm Location: Ballroom IIAB	Continuation of the previous session.

<p>You and Me vs The Problem 12:00 pm to 01:00 pm</p> <p>Location: Ballroom IAB</p>	<p>In this session, we bring together a diverse group of nuclear industry regulators and other thought leaders for an enriching panel discussion. Emma Wong (OECD/NEA) will moderate a conversation among Lauren Gibson (US NRC), Chris Saville (Duke Energy), Tom Eagleton (ONR), Paul Nevitt (UK NNL), Kevin Lee, (CNSC), and Ed Bradley (IAEA). It will revolve around the power of diversity of thought in tackling common problems as a sector.</p>
<p>Lunch 01:00 pm to 02:15 pm</p> <p>Location: Eden Garden</p>	
<p>Design Thinking Warm-up 02:15 pm to 03:15 pm</p> <p>Location: Ballroom IAB</p>	<p>Get ready to stimulate both your creative and critical thinking skills. This short yet impactful session based on design thinking is designed to prime your brain for an afternoon of problem-solving. It's about embracing a mindset of curiosity, empathy, and experimentation to tackle complex challenges. By warming up both sides of your brain, you'll be well-prepared to dive into the big challenges that await in the afternoon. So, let's get our cognitive gears turning and gear up for a productive afternoon!</p>
<p>Hackathon Part 1 03:15 pm to 05:25 pm</p> <p>Location: Ballroom IAB</p>	<p>Welcome to our Hackathon-inspired session! This is where theory meets practice and ideas transform into action. We'll break into small groups and collaborate closely on the four Grand Challenges but with a twist.</p> <p>Your task will be to work on a micro-Grand Challenge – a smaller, more manageable aspect within the broader Grand Challenge. You'll then use the 'Ambition into Action' framework to help turn ambitious goals into actionable plans.</p> <p>Break is self-managed.</p>
<p>Day 2 Close 05:25 pm to 05:30 pm</p> <p>Location: Ballroom IAB</p>	<p>Closing remarks for day 2 - Hint about what's next!</p>

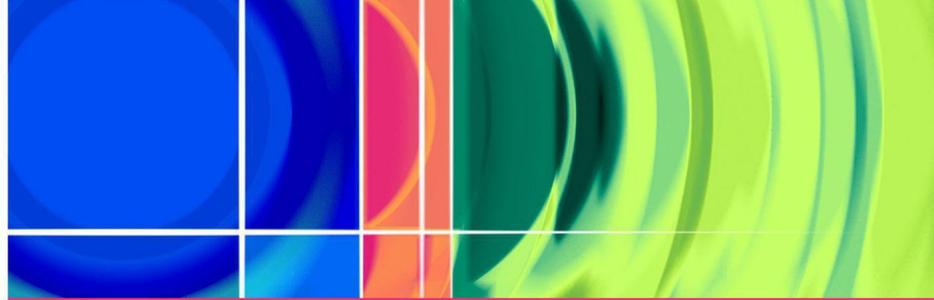

Reception
(Hosted by NextEra Energy and Florida Power & Light Company)

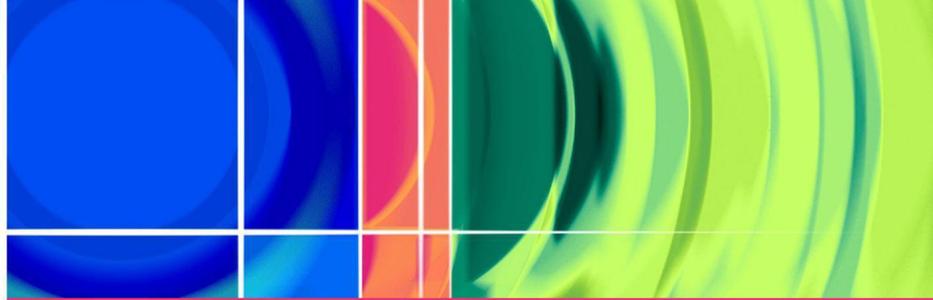

06:00 pm to 08:00 pm

Location: Mona Lisa Ballroom

Join us for a delightful evening reception. This will be a wonderful opportunity to network, unwind, and engage with your fellow conference attendees in a relaxed atmosphere. Guests are welcome.

Thursday, June 27, 2024	
Topic	Description
<p>Continental Breakfast 07:30 am to 08:30 am</p> <p>Location: Ballroom IAB</p>	<p>Start the day with food to fuel your mind. An informal continental breakfast will be served providing your big ambitions with the nutrition they need.</p>
<p>Welcome Back to GFNI – Day 3 08:30 am to 08:40 am</p> <p>Location: Ballroom IAB</p>	<p>It's Day 3, and our emcee warmly welcomes you back, inviting you to reflect on the transformative activities of Days 1 and 2. We'll dive into what the final day has in store for us. Expect to hear engaging “pitches” from your colleagues and actively participate in the day's insightful discussions.</p>
<p>Hackathon Part 2 08:40 am to 10:45 am</p> <p>Location: Ballroom IAB</p>	<p>Welcome to part two of the Hackathon-inspired session! This is where theory meets practice and ideas transform into action. We'll break into small groups and collaborate closely on the four Grand Challenges but with a twist.</p> <p>Your task will be to work on a micro-Grand Challenge – a smaller, more manageable aspect within the broader Grand Challenge. You'll then use the 'Ambition into Action' framework to help turn ambitious goals into actionable plans.</p> <p>Break is self-managed.</p>
<p>Group Pitching 10:45 am to 11:15 am</p> <p>Location: Ballroom IAB</p>	<p>Finally, during this session, you'll “pitch” your action plan to colleagues in your Grand Challenge group with a bit of friendly competition thrown in the mix, too. Enjoy rolling up your sleeves for some creative problem-solving!</p>
<p>Keynote 11:15 am to 11:45 am</p> <p>Location: Ballroom IAB</p>	<p>We'll wrap up our event with an inspiring keynote address from Bharath Nangia (Chief Innovation Catalyst, Nuclear Promise X) synonymous with driving consistent action within their organization and our industry.</p>

Event Closing Remarks

11:45 am to 12:00 pm

Location: Ballroom IAB

As our three-day event draws to a close, our emcee will take us on a reflective journey through the key messages from each session. This will be a moment to pause, look back at what we've accomplished and the tools we have acquired, and appreciate the progress made in a short space of time. But our journey doesn't end here. We will also reveal what's next for the GFNI program.
